

# THE MACEDOS IN BRAZIL

The Goodness of the Lord  
Endures Forever!

He is our HOPE,  
our only hope. The  
world dies for lack of  
HOPE.

## MOVING FORWARD, PRESSING ON!

### A HISTORICAL MOMENT

At the 6th Brazilian Mission's Congress in , WEC, Brazil and JUVEP joined in partnership. JUVEP is a Brazilian mission that works with the evangelization of the northeast of Brazil. Working together the two missions can be even more fruitful for the kingdom of God.

### ALL BOOKS PUBLISHED IN TIME FOR THE CONGRESS!

After a year of hard work we were able to put these books in the hands of Brazilian missionary families. We are so grateful for those who prayed, supported and encouraged us throughout the year in order for this to happen. It was a marathon but well worth it! These books can make a difference for Brazilian missionary families serving throughout the world.

### SENDING BASE MINISTRY

WEC Brazil will be accepting two new missionaries for work in the interior of Brazil next week. Cornelio and Marizete trained under us at the MTC and it is a privilege to have them join the team.

*Presenting one of our books.*

May we not recline  
upon our couches,  
but rise up! and go  
forth! and pour  
ourselves out for  
Him who is worthy  
beyond measure.

**FAMILY MATTERS**

Our family is spreading out and growing. At the moment our children are in 3 different countries and Joseph is in India. A truly global family, but we are happiest when all are together in one place!

**STEPHEN AND REBECA**

Are living in Addison, NY and expecting their first baby in May of 2012. Of course we will be there for the big event!

**JON**

He is doing a two-year Master's program in Applied Ecology with Erasmus Mundus. You can follow his journey on his blogspot: [bonvoyagejon.blogspot.com](http://bonvoyagejon.blogspot.com) He would love to hear from you and have you praying for him! It's his first time being so far away from home for so long. Send him something encouraging on his blog.

**RAPHAEL**

He is finishing up high school and applying for colleges. His desire is to study Architecture in the States. Pray with him that the Lord will open the right door!

**JOSEPH AND ALICIA**

Joseph is in India, having spent some time in South Africa on his way. He is the

speaker at a spiritual retreat and also doing pastoral care for our missionaries in those regions of the world.

**POINT THE WAY**

Did you know that in Bulgaria it is considered rude to point with one finger, but acceptable to point with four fingers? In Cambodia and the Philippines, pointing with any fingers is taboo. The correct way to point in Cambodia is with your chin. Filipinos point with their lips.

Wherever you live, let every aspect of your life point others to Jesus. "Whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him" (Colossians 3:17).

**Pray:**

- For health and wisdom.
- For the Brazilian Sending Base team.
- For direction for future ministry.
- For Joseph as he travels and ministers.
